Location

We sail from the docks behind Chart House Restaurant, but we can pick up and drop off at Skull Creek Marina or some of the other marinas on Hilton Head Island. Prior arrangements must be made through Cheers Charters Inc. prior to trip date; any origination fees will be passed on to the guest. Please call (843) 671-1800 for more information.

Food, Drink, Music

We encourage our guests to bring their own beverages to drink – small coolers are easiest to carry to the boat and to stow. We have ice available at the dock to top off your coolers.

Guests are welcome to bring their own food. Note that there are no refrigeration or cooking facilities on board. Guests are welcome to bring their own iPods for use during any private cruise. We also provide a mixture of relaxing music via iPod, CDs and radio.

Important Facts

- a) The maximum number of allowable guests is 25.
- b) Reservations are required. A 50% deposit is taken via credit card at the time of booking; the balance is due on the date of the cruise. If the customer cancels within 48 hours of the departure time, the deposit is forfeited. If Cheers Charters Inc. cancels the cruise at any time for any reason, the entire deposit will be refunded.
- c) Generally speaking, we are not handicapped-accessible. Guests should be able to sit upright without support for the duration of the trip. Guests should also be able to walk from the parking lot, and on the uneven dock surface to and from the vessel, including a ramp which can be steep at very low tides. Guests with mobility issues are encouraged to call us directly to discuss logistics.
